

Christmas at the Ranch - December 14, 2013

About 200 guests visited the Ranch House at Anderson Marsh State Historic Park for an old fashioned Christmas Open House. The tree had been decorated by handmade decoration made by Mrs. Langdon's class at Lower Lake Elementary. The day was a wonderful success. The children visited with Santa and everyone enjoyed singing Christmas carols and eating homemade cookies and hot cider. The fireplaces burned merrily and everyone had a wonderful time! Thanks to the many volunteers and musicians who helped make the day possible.
